

Dear Ministry Partner,

The second half of 2019 saw multitudes of people affected by earthquakes and typhoons, particularly in the months of October to December. While these events are considered to be a disaster by most, they are often a blessing in disguise as they continue to open up a unique door to share the gospel to those who would otherwise never be willing to listen. I recently thought about the conversion of the Philippian jailer who experienced an earthquake and came to ask the most important question of all, “what must I do to be saved?” (Acts 16:30)

First, there were several powerful earthquakes that hit Mindanao, including three consecutive earthquakes (all three over magnitude 6 strength) that hit Cotabato within a short span of two weeks. These quakes left approx. 40 people dead or missing, over 800 injured, caused landslides, and destroyed many homes and buildings. Partnering with Pastor Ace Pansing and members of Kidapawan City Baptist Church, we were able to conduct distributions in several mountain areas where people had yet to receive relief and also at the locations of two churches. The gospel was preached to over 1,500 people and we distributed 2,500 kilos of rice and a lot of canned goods to each family. Multitudes of these people made professions of faith in Jesus Christ for salvation as we preached about the greatest disaster of all, eternal hell. ***Please pray*** for these people spiritually and physically. Many of them lost their house and will now be living in tents for several months to come.

Second, typhoons Tisoy and Ursula caused significant damage in December and left over 50 people dead and multitudes without electricity for several weeks. By the grace of God we were able to conduct four different distributions to hundreds of people affected by these typhoons in four different areas partnering with different pastors and churches. **Please pray** for these people and those who are conducting follow-up work with them. By the grace of God these distributions are opening up a lot of doors for home Bible studies and follow-ups!

PBDRM efforts to typhoon victims

Thanks again to every church and individual supporting PBDRM for your “compassion, making a difference” (Jude 22). We pray for the Lord to bless you all as we enter into 2020 with a 20/20 vision for Christ!

Yours in Christ,  
Director Pastor Jeremy Ferguson
