

Dear Ministry Partner,

The past three months saw the continual spread of covid-19 throughout almost the entire world. Here in the Philippines there were millions upon millions of people left looking for ways to find even just a small amount of rice to put on the plate as fear-inspired lockdowns and protocols brought the entire economy to almost a complete stop. As of this time the government is now allowing people to get back to work little by little in most areas, but it's going to be a really long time before people are able to get back to working their normal jobs and multitudes of business have closed down permanently. God sure is sending this world a serious wake-up call!

By the grace of God we were able to distribute over 4,200 kilos of rice through various distributions; mainly in Pampanga and in Bulacan. Usually we distribute rice and canned goods, but almost all of these distributions were rice alone due to the massive number of people in need and we wanted to extend some help to as many families as possible and share the gospel to them at the same time. We gave each family around four kilos of rice and they were extremely grateful with many telling us that they hadn't received any government assistance and others saying that they only received enough to last for a few days at most. We even encountered people who were so hungry that they literally cried when we handed them some rice and we saw people heading straight to the kitchen to cook a meal for their family, even if it would be nothing more than rice mixed with some soy sauce. It's been difficult seeing so many people going hungry and wishing you could do more to help, but praise God for giving us the opportunity to help over 1,000 different families. The greatest blessing throughout all of this is that we saw many professions of faith, new church visitors, and even some baptisms as a direct result of these distributions, praise God! **Please pray** for those who have heard the gospel!

Food and medicine distributions to some Aeta families in the mountains of Porac, Pampanga

Thanks again to every supporters of this ministry. Even though you might not be present physically during these distributions you are indeed present financially and we pray for God to bless you mightily!

Yours in Christ,
Director Jeremy Ferguson
