

Dear Ministry Partner,

The year 2020 is set to be a year that very few people will ever forget, especially in the Philippines as there were three massive disasters experienced. First, millions were affected by the Mt. Taal eruptions. Secondly, the entire country was (and still is) seriously affected by covid-19. Thirdly, on top of all that, millions more were affected by two powerful super typhoons (Rolly and Ulysses) that hit one right after the other in November. Just stop and consider that millions of Filipinos were heavily affected by ALL THREE of these huge disasters! While all of this might sound like a horror or apocalyptic movie, God's children should realize that God IS always in control and is clearly using these events to shake up the spiritually apathetic people that abound today! We live in a sin-sick world that desperately needs to realize their need to be saved from sin and believers need to realize the urgent calling of God to spread the gospel while there is still time before the rapture hits!

By God's grace we've been able to continue assisting several families who are severely suffering from the pandemic by helping them with basic needs and they have really been thankful. Also, we were able to distribute food packs and preach the gospel to over 500 families affected by typhoons Rolly and Ulysses. Partnering with multiple churches, we were able to conduct seven distributions in different areas from all the way up north in Cagayan to down south in Albay; praise God there were multitudes of professions of faith! ***Please keep praying*** for everyone affected by these events, especially that those who have heard the gospel in this time will genuinely accept Christ and follow Him with all their heart! As believers may we never forget that the greatest disaster is when a lost soul dies without having truly trusted in Christ and enters the eternal torments of Hell!

Some of the typhoon-affected families who heard the gospel and received food packs

Once again we want to say thanks so much to every church and individual supporting PBDRM! This year was a record year for PBDRM offerings as we received a total of P460,180 and were able to distribute a total of P360,798 worth of relief items, praise God! Our ability to help and reach tragedy-affected people with the gospel has continually grown since this ministry started back in 2016 and this wouldn't be possible without your generous, continual giving. Our prayer is that God will protect and bless all of you mightily!

Yours in Christ,
Director Jeremy Ferguson
