PHILIPPINE BAPTIST  
MINISTRY

June 2020 Newsletter

Dear Ministry Partner,

In spite of difficult times the Lord has continued to bless this past month with some exciting progress! The most exciting thing to report is that Glaiza (whom we reported last month as having recently accepted Christ) followed the Lord this month in baptism, praise God! **Please pray** for her spiritual growth, the growth of the other children who have already received the Lord, and the salvation of the others. It's also a blessing to see them working hard continually on memory versus and Bible lessons!

The next piece of exciting news is that the Lord has provided the funds necessary to purchase an additional 1,000 square meters of land, praise God! There are also some folks who have already committed to giving 1/3 of the need beyond this so that we can buy a total of 2,000 square meters of additional land. **Please continue praying** for all of this to work out smoothly and that the Lord would provide funds so we can start constructing more facilities after the land purchase has been completed.

Our immediate area is currently on a light quarantine status, but thank God that there haven't been any positive covid-19 cases nearby us and all of the children are doing well. The kids are now enrolled for this school year (which is supposed to begin at the end of August), but they're still not 100% sure if the plans for this school year will go through or if everything will just be completely cancelled until next year. **Please keep praying** for the educational improvement of the kids as we tutor them in the meantime.

This month saw the 11th birthday of Monica; what a blessing to see her growing up so beautifully and overcoming her horrific past. **Please continue praying** also for all of the children who struggle overcoming the terrible things that often haunt them; it can really be difficult for them to "move on".

Many thanks again to all of you supporters and we ask you to **join us in praying** for more regular supporters. Next month we will bring in a 10 year old abandoned boy and there are so many others we hope to help one day. None of this would be possible without faithful supporters, God bless you mightily!

Yours in Christ,
