PHILIPPINE BAPTIST  
MINISTRY

July 2021 Newsletter

Dear Ministry Partners,

The kids had another great month, with the main highlight for them being the music workshop at church as they were super excited to learn how to play flutes, violins, and even a trombone! Several of them are now able to play regularly in the church's mini orchestra during congregational singing time and also play for the choir and special numbers, praise God! Please continue praying for the kids learning these instruments, it's a great blessing to see them striving to grow in their ability to play for the Lord!

The kids wrapped up their school work for this school year and will be resuming classes in September. Although the kids never experienced any in-person classes this year we are glad to see that they did really well with the help of the houseparents. By the grace of God we saw really good improvements with those who struggle the most with reading and writing. It was also a great blessing to see Mae Chelyn graduate from high school as one of the top performers! She will now be our first youngster to go onto college as she's already enrolled and set to begin her studies to one day become a social worker. Praise God for helping these kids overcome their difficult pasts so that they can go forward in their lives!

Please continue praying for the health of the children. The vaccination program here in the Philippines continues to crawl along very slowly and the threat of the new delta variant of covid19 is here and starting to spread. As a result, the government is once again implementing stricter lockdown protocols throughout various provinces. Praise God all of the kids are strong and healthy at the current time!

Please continue praying also for more workers to come board and more monthly supporters. Praise God for strong financial provisions that came in this month! Thanks so much to all the givers out there!

This month saw the birthdays of Gabriel (15yo), Kino (13yo), Sheena (11yo), and Mhazzy (3yo). Thanks for your regular prayers for them and the other children. Above all, please keep praying for their spiritual well being; for all of them to truly accept Christ and for the young believers to grow in their faith.

Yours in Christ,  
Jeremy and Kristine Ferguson (Orphanage Directors)
