PHILIPPINE BAPTIST
MINISTRY

Apr. 2023 Newsletter

Dear Ministry Partners, this month we brought in five new children (all boys), including handsome twin boys who are two years old. We also brought in three siblings who had been on the streets begging. They all arrived in pretty rough shape, but praise God they're quickly improving! Please pray that we will be a great blessing to their lives along with all of the other children!

We saw continual, good progress on the construction of the next five orphanage rooms and two of them are already finished and filled up with children as we have grown to 92 children here currently. The next three rooms should be completed by the end of June and it probably won't be long afterwards when they're filled up with kids also. With the new rooms filling up here quickly and overall growth happening faster than we would have ever thought we have been thinking about future expansion and we are now praying for the Lord to entrust us with a three hectare farm which is located directly next to us. Among the many potential possibilities of having such a large piece of land would include a completely separate facility for girls, a separate facility that ministers specifically unto abuse victims, and a private, Christian school for the kids. The public schools here these days are quickly abandoning godly morals and even promoting abominations in their curriculum such as the LGBTQ agenda. We don't know yet how much the land will cost, but please pray for the Lord's blessing as we try to get in touch with the land owner and negotiate a price.

Please continue praying also for: (1) all of the children to receive Christ and grow in the faith (2) the schooling of the children (3) for more regular, monthly supporters. Thanks and God bless and reward you all mightily for all you do!

Yours in Christ, Jeremy and Kristine Ferguson (Orphanage Directors)
