Dear Praying partners, Pastor, and Church,

It is always a blessing to us to be able to share with you the blessings and successes on what the Lord has done in Missions. By the grace of the Lord, Six new believers followed the Lord in baptism. Please do pray as they grow in knowledge and grace. Please pray for Bro. Jun (a soldier here at Porac, now soldier for Christ as well), Bro. Dan, Bro. Aljur, Sis. Weng, Sis. Raquel, Bro. Junior. We praise the Lord for addition in church. Please do pray to have more souls to be saved.

We praise and thank God for His blessings in the church for new visitors and returning ones. Please pray as some of them believed on the Lord Jesus. Please pray for them as well. Here are some of our Church services for a period of two months:
