PHILIPPINE BAPTIST
MINISTRY

Nov & Dec 2024

Dear ministry partners, the kids here have been super busy and super happy the past two months. They had a lot of extra happiness as several groups brought them loads of Christmas blessings with some of the groups even collecting a wish list from each of the kids and giving them exactly what they wanted. It's a great blessing to see folks from the community being used by God to be a blessing to the kids!

We were also happy to see more of the kids coming to understand their need for Christ, make a good profession of faith, and some beginning to follow Christ in the first steps of obedience. *Please continue praying* for the salvation of each child and spiritual growth for those who have accepted Christ. We're really blessed to see more and more of them reading their Bibles and praying on their own, working on their memory versus, and involved in different church ministries such as soul winning and music.

Please keep praying also for the continual facility expansion work. We mentioned last time that work had begun on three additional rooms on the current land and we're excited to see those nearly completed which means that we have a total of six new rooms on the current land, praise God! We are also excited to report that the permits for the new land have been completed and the electric line is now installed. We've begun fabricating the front gate and will soon resume some remaining items on the perimeter fence and the work on the five rooms that we started out there previously. We are planning to begin sheltering children on the new land sometime towards late February or early March. The new land will ultimately become our girl's shelter and the current land will be for the boys. *Please continue praying* for the Lord's provision for the construction as the new land, which has space for a total of 20 rooms and a kitchen. Ultimately, all of the rooms on both lots will have space to shelter over 300 children.

Please pray for the upcoming colostomy surgery of John Rick. We've been praying about this for a long time now and working to set everything with the hospital (which has been a tremendous hassle) and they've finally given us a February 17 date for his operation (the first of at least two). Who knows what will happen with the way things work around here, but we sure pray this will finally go through for John.

In closing we want to send all of you supporters out there our appreciation and thanks and let you know that we pray for you always. May each of you have a great new year with God's blessing upon you always.

Yours in Christ, Jeremy and Kristine Ferguson (Orphanage Directors)
