PHILIPPINE BAPTIST
MINISTRY

Jan & Feb 2025

Dear ministry partners,

The first two months of 2025 really flew by quickly with so much happening at the orphanage. We took some more kids in recently and now we're suddenly taking care of 150 youngsters. Praise God for getting more youngsters out of harm's way and out of abusive situations! **Please pray** for the Lord to give us more wisdom in taking care of all these kids as it is quite a challenge we can only do by His grace.

Please pray continually also for each of the kids to come to know Christ. We thank and praise God that more of them are showing signs of spiritual growth and a desire to serve the Lord. Some of them recently represented different countries in the church's mission emphasis month and we pray for the Lord to use many of their lives in mission fields all over, from the Philippines and even unto other nations.

Please continue to pray for the schooling of the kids as well. We're excited to announce that the private school for the orphanage children will soon be growing! We started this school year with just the high school students, but we are now planning and preparing to include all of the elementary school students as well starting this coming June. **Please pray** for the Lord's provisions for all of this as we will be hiring two additional teachers and purchasing classrooms needs such as chairs and blackboards.

Please continue praying also for the facility expansion work. We're excited see all six new rooms on the current land completed and all of the work has now shifted to the new land where we installed the front gate, finished the perimeter fence, and continued work on the five rooms previously started.

Please pray more also for the colostomy surgery of John Rick. He was admitted three days before the schedule of the operation and on the morning of the operation the doctor suddenly said that he wants to do more ultrasounds and a 2d echo test. We took care of many other pre-operation tests that they required of us, but they never told us to do these also. **Please pray** that the operation will continue soon.

We once again want to thank all of you supporters who give so much and pray so much for these kids. Each of you are a big part of this ministry and we pray the Lord blesses you mightily for all you do.

Yours in Christ, Jeremy and Kristine Ferguson (Orphanage Directors)

Mark 6:37, "He answered and said unto them, Give ye them to eat."
